ACADEMIC DETAILS

Examination	University/Board	Institute	Year	CGPA/%
UnderGraduate Specialization:	Information Technology			
Graduation(Bachelor of Engineering)	Delhi University	NSIT	2017(expected)	58.69
Senior Secondary Specialization:	Non-medical Science			
Senior Secondary	CBSE	KV Vikaspuri	2012	72
High School	CBSE	KV Gurgaon	2010	8.4

TECHNICAL SKILLS

Languages
   Expert C, C++.

   Intermediate MySQL,Java,HTML,PHP.

Operating Systems Linux, Windows.

COURSES

Relational Database Management Systems	Data structures and Algorithms	Software engineering
Information theory and Coding Techniques	Object Oriented Technology	Operating System

MAJOR PROJECTS

Cloud Computing Based Routing Protocol in Infrastructure Based Oppnets (Research Project)
Paper Accepted in IEEE Conference No.37817 (IICIP 2016)
   (Guide: Prof. SK Dhurandher , Mr. Deepak Sharma Jan'16 - till date)
      Objective : To create an efficient Routing protocol in Infrastructure based Opportunistic networks that reduces average latency and increase number of message delivered using Cloud Computing as infrastructure.

Pathaniswaad.com (HTML and PHP)
   (Jun'16)
      Objective : To create a site that provide hassle free food ordering service to customers like rolls.

Merchant App of Pathaniswaad.com
   (Jun'16)
      Objective : To create a merchant app that shows all the orders that have been done on pathaniswaad.com to merchant.

EXTRA-CURRICULAR ACHIEVMENTS AND ACTIVITIES

I have played football as central defender in school football team.Our school team stood 2nd at the 2011's K.V regionals football sports meet held at K.V Noida sec-22.

STRENGTHS

Positive Attitude, Smart, Hardworking.

INTEREST AND HOBBIES

Solving puzzles, listening to music, playing football ,basketball, and table
tennis.
